## "Why Am I Not Married?" The Stage Play

Come Support Journey's friend, Chantell D. Christopher THIS SATURDAY at her play, "Why Am I Not Married?" The stage play is based on the book "BECOMING THE MAN I WANT: Why am I not married?" and shows the perspectives of men and women on relationships. "Why Am I Not Married?" is the story of a "fairytale" romance that disappears when reality sets in. A couple quickly discovers that when they discuss their plans, values, hopes and dreams, they are speaking in two different languages. Chantell had the honor of touring with Tyler Perry for over 12 years. She was casted in eight of his productions, including Madea Goes To Jail, Madea's Class Reunion and What's Done In The Dark. Chantell D. Christopher's Acting Studio currently calls Journey's Studio home, so come support her ensemble and vision!
