NEW PROGRAM: artSpace!

As a Performing Arts Center, Journey is committed to exposing the community at large to the arts. We're excited about a NEW PROGRAM designed to offer community visual and performing artists and other creative individuals space to share their vision with the Atlanta community!

This Community Arts Program provides a common space for artists to hold rehearsals, workshops, classes, screenings and small performances. Journey also provides resident artists with business resources and workshops for professional development.

If you or someone you know is seeking to share their vision with the world and only needs a space to do so, apply for the Journey Community Arts artSpace program at www.journeyartscenter.org/artspace.

Stay tuned for more exciting news and events from Journey!

Sincerely,
