## **Journey Performing Arts Center Outreach Program Fact Sheet**

### **What is Journey's Outreach Program?**

Journey Performing Arts Center (JPAC) is a non-profit corporation that provides the community with a learning environment that trains adults and children in the disciplines of dance, drama and music. The purpose of our outreach program is to expose youths to the arts, specifically dance, that would otherwise not have the opportunity.

Journey provides other community programs such as daycare centers, churches, and schools with a specialized version of our regular dance program. We offer three different programs: ongoing dance classes, outreach performances and outreach dance workshops.

### **What types of activities are involved in Outreach?**

We offer three different programs. Ongoing Dance Classes, Outreach Performances and Outreach Dance Workshop

- **Ongoing Dance Classes:** Instructors go to community organizations (schools, daycares, churches). We provide Dance instruction over a contracted period of time. We have a variety of classes in jazz, hip-hop, ballet, liturgical, and modern. We also offer classes in martial arts, drama, and music.
- **Outreach Performance:** The Journey Dance Company will come out and perform for students. We have a repertoire of dances from hip-hop to modern. The performance can be a part of a program that the school already has in place or we can be featured as a special assembly for students.
- **Outreach Dance Workshop:** The workshop is for beginning dancers. Students will learn basic jazz technique with a fusion of hip-hop style. Workshops consist of a short performance from Journey Dance Company. We will then introduce a basic warm-up, technique, choreography, stretch and cool down. Students will receive dance terminology and review sheets for use at home. These workshops can take place at the community organization or at Journey's facilities.

### **Where are the sessions held?**

Depending on the outreach program, sessions will be held either at the community organization's location or at our private studio.

### **What age children are able to participate?**

Our Outreach program accepts students from Kindergarten-8<sup>th</sup> grade.

### **When does the program begin?**

Programs begin as agreed upon in a contract with Journey Performing Arts Center. We can start Outreach classes at the beginning of the school year or mid-year. Workshops and performances may be scheduled at any time.

**What is required of participants?**

There is a dress code for the Outreach Classes and Workshops. We enforce this for the safety of our students and staff. Please check our website, <http://www.journeyartscenter.org/DressCode.html>, for the appropriate attire required for each class.

**How much do the programs cost?**

Because Journey is a non-profit organization we are able to keep the cost paid at our outreach locations to a reasonable fee. This cost will be determined while determining the contract with each location.

**Are there any discounts, scholarship or specials available?**

Yes! There is also a discount for families enrolling multiple children as well a limited number of scholarships for partial tuition available to low-income and gifted students.

**Who do I contact to register, apply for a scholarship or for more information?**

Please check Journey's website at [http://www.journeyartscenter.org/Outreach\\_Programs.html](http://www.journeyartscenter.org/Outreach_Programs.html) for additional information, to register and to apply for scholarships. You may also call 404-622-2585 with further questions.
